

In May 2021, Lane Fire Authority will be asking district patrons to support a levy of \$0.35 cents per every \$1000 of assessed property valuation.

Lane Fire Authority's Vision is ... "to provide the highest level of services that improve the quality of life, health, and safety of all we meet." We are asking for this levy in order to support that vision.

Under our current staffing model, Lane Fire Authority provides critical fire and emergency medical services through a combination of volunteer and paid personnel. We have highly trained, dedicated volunteer personnel that are paramount to that vision, however, over the last several years the demographics of our volunteers have slowly changed.

This shift in volunteer response, along with annual increases in call volume, make it difficult to continue to provide the same level of service our community has come to know and expect from us.

## Ballot Measure #20-320

[www.lanefire.org/may-2021-levy-information](http://www.lanefire.org/may-2021-levy-information)

With a successful \$0.35 cent levy, we will be able to maintain our current staffing levels as well as hire three additional personnel, which will add an additional firefighter 24 hours a day, 7 days a week. This eliminates those times when only one person is staffed in portions of the district.

If we are unsuccessful in securing a \$0.35 cent per thousand levy, we will be unable to adequately staff those areas, as well as likely have to make cuts in our current paid staff in the future, further impacting our response capabilities.

More information about our organization can be found on our website or our Facebook page (@laneFireAuthority). Fire Chief Dale Borland is also available to answer questions at (541) 935-2226 ext. 203 or at [daleborland@lanefire.org](mailto:daleborland@lanefire.org)
