Dear Chief Borland:

Please accept this letter as my formal Notice of Resignation from my current committee assignments, effective as soon as a replacement can be established.

I am thankful for the opportunity to have been allowed to serve as a member of the Board of Directors for Lane Rural Fire Department, as well as the Financial Committee and Civil Service Commission for Lane Fire Authority.

I feel very blessed to have been able to serve my community as a firefighter for the Alvadore Fire Department starting in 1963, then as a Captain for the Lane Rural Fire Department and finally to be given the opportunity to serve on various fire department Boards.

As a final note, I would like to say that the strength of a fire department is in its leadership. I have worked in the past for many agencies, throughout this state, and you, sir, I consider to be one of the finest, most capable leaders I have ever been associated with. I know that Lane Fire Authority has a stable future and will flourish under your leadership.

Sincerely Yours,

Larry von Moos
