

LFA & Santa Clara
Board Reports
For
Maintenance – Logistics – Facilities
3-15-2023

LFA/Santa Clara

- ✚ Working budget for the 2023-2024 budget year.
- ✚ We have placed an order for a 2023 Ford F550 4X4 chassis and planning to repair, repaint and remount our existing rescue body.
- ✚ Putting together hiring plan for maintenance, looking for 1.0 FTE position and keeping our current $\frac{3}{4}$ time position as well.
- ✚ Signed contract in place for this season ladder, hose and appliance testing for LFA

Station 101

- ✚ Placing our updated 1-inch wildland hose in-service in the next two weeks.
- ✚ Sign out front is being repaired and awaiting parts.

Station 103

- ✚ Station break-in over the weekend sometime, various hand tools and other items taken, station is secure.

Station 115

- ✚ Planning some updates to the washer and drier areas.
- ✚ Developing a plan to remodel women's bathroom, adding an additional toilet and shower.

Station 113

- ✚ Completed the antenna move and made the adjustments for station paging.
- ✚ Water damage repair has been completed

Station 116

- ✚ Asphalt bids are needing to go out prior to the start of the new budget year so we can try to meet the summer season, we will be working towards this soon.
- ✚ Fence bids are due to go out as well, as soon as we review the recent changes in the public contracting rules to make certain we are complying with the law.
- ✚ Painting and re-sealing windows in the entry way is occurring soon.
- ✚ Concrete work bids are due at the end of the month.

Respectfully,
Captain, Nelson
