

Promotions:

Chad Conway and Micaela Ransom were recently promoted to FFI.

Chiefs Report:

Tax Anticipation Note - Chief Borland is close to signing the paper work to complete the note. At the last moment Banner requested that LFA's legal counsel draw up the documents. Banner has approved the documents and will proceed.

CoVid and OSHA – Masking requirements will be changing. Our Health & Wellness team is reviewing the guidelines set forth by OSHA and will wait for the state to finalize. Captain Johnson is meeting with the State Safety and Health Section and is waiting for interpretation of what applies to LFA.

Prairie Rd House – LFA received the final pay-off on the home. Cascade Escrow will be handling the transaction.

Back Lot at 101 – Chief Borland would like to resume selling the back lot at 101. Among other things, the property needs to be surveyed. The sale of this property will most likely not be quick, if at all.

Public Contracting Rules – Chief Borland just recently received the public contracting rules from the attorney and will forward a copy to board members.

Lane County Strike Team – Oregon just sent a strike team to California. LFA did not send any vehicles but did send Barry Nelson as a task force leader.

The state fire marshal's office does not want to send any more resources out of state.

Locally we have been at extreme fire danger and have had a number of small fires around the area. Last Saturday a task force was sent to Bend acting on the mutual aid agreement with Deschutes County. The crew of 3 (D. Borland, D. Chappell, B. Hart) from LFA was there for about 4 hours before returning home.

IAFF 851:

Bill Potterf reported that it is business as usual. The number of billable transports is nearly the same from last year even without the Country Fair and rodeo.

Public Comment:

None

Volunteer Association Input:

Stan Turner mentioned that the Association's new leadership is doing a great job.

Stan was complimented on Nozzle News.

Best Practices: None

New Business:

None

Old Business:

Operating Levy – LFA’s first mention of going to voters was in the most recent issue of Flashpoint. The next issue of Flashpoint will talk about the levy in more detail. Post cards are also planned. IAFF would like to participate in distributing information.

LFA’s Facebook page also mentioned the operating levy.

The LFA website www.lanefire.org is an excellent resource for folks that have questions – they can also contact Chief Borland.

SCF Records - Local Government Law Group will copy all records more than 10 years old for no charge. Chief Borland instructed them to go ahead and scan records and send them to us.

Health & Safety Committee – Will be meeting and have additional information regarding the new OSHA guidelines and how they pertain to LFA personnel by the end of the month. Chief Borland will forward the email he received regarding temporary rule updates.

Former SCF Captain Paul Heinke recently passed away. He volunteered for 27 years at SCF. Several suggestions were made regarding some type of memorial and will be discussed later. Stan asked for a write-up that could be included in Flashpoint.

Adjourn:

There being no further business, the regular business meeting of Lane Fire Authority was adjourned by LFA vice president Ryan Walker at 6:51 pm and SCF board president Russ Sirotek at 6:56 pm.
