Subject: SCF Maintenance list and completions

Santa Clara Board Members, here is the most recent list of items for June- July 2021:

1. Hose testing was completed on all Santa Clara Engines prior to July 4th 2021, limited failure of less than 2 sections of three inch was all that failed.
2. Station 116 air Conditioning repair by James Heating and Filters replaced.
3. Placing rock in the small yard area to replace grass and weed growth.
4. Quotes are out on parking lot sealing and stripping at stations 116-117
5. Irrigation repair out for quotation at 116 to establish water for dying shrubs, plants and yard so that we project a positive image for the community during the summertime.
6. Upcoming items for station 116, tree care and trimming as needed.
7. Renewing generator preventive Maintenance program
